Heating & Serving procedures for State Fair Mini Donuts

- 1. You may re-heat the mini donuts in a Air Fryer, Convection Oven or Toaster Oven.
- 2. Pre-heat the oven to 550° degrees Fahrenheit.
- 3. Place slacked (Room Temperature) donuts onto a baking pan.

- 4. Heat for 30 seconds to 1 minute.
- 5. Remove with Tongs from sheet pan and place in wax SFMD Wax Bag
- 6. Apply 2 teaspoons of one of the five sugar flavors into the bag, shake and... ENJOY!
